

Industry Day

January 30, 2017

Wellcome Genome Campus, Cambridge, UK

Date: 30th January 2017
Venue: Wellcome Genome Campus Conference Centre, Cambridge, CB10 1RQ
Time: 2pm-7pm

About

InnoLAE 2017 industry day is a FREE business networking event bringing together the UK's leaders in research, technology innovation and manufacturing of printed, flexible and large-area electronics. Delegates from market sectors including automotive, healthcare, aerospace, print and packaging, and the built environment will attend this event.

The industry day will launch eMergent, the new community for the UK printed, flexible and large-area electronics industry and give you an opportunity share your view on the role this organization should play. The event also features a discussion on how Brexit will impact R&D funding in the UK, a panel session on end-user needs from this technology and an opportunity to give a 2-minute pitch about what your company can offer. Drinks and canapés will be provided in the networking session which will round off the event.

Why attend

- Join **eMergent**, the new organisation for the industry
- Make your voice heard and help shape the industrial agenda for the sector
- Network with everyone active in the UK industry in one afternoon
- Find out about the latest funding opportunities and how your business can benefit

Attendance of this event is FREE and by invitation only. **To request an invitation please contact:** info@largeareaelectronics.org

The industry day precedes the 2-day **innoLAE 2017** conference and exhibition, for more information and to register for innoLAE visit www.innolae.org

"I see the innoLAE Industry Day as an opportunity to hear directly from end users and to learn their requirements for these exciting new technologies. It's also a great way of networking with a wide range of companies who are interested in the potential of these technologies to help their businesses to grow."

Jon Helliwell, CPI
